**DID YOU KNOW?**

**PLAYER** is more than a level of **The First Tee program**. **PLAYER** is also a word that means a person who **PLAYS** the game of golf. **Golf** is a game with a target, like **basketball**, **soccer** or **archery**. **At the beginning**, you will play shorter courses and games. The more you play and practice, the better you will get. **Then**, you will be able to play longer and more challenging courses.

CORE LESSON #2
COURTESY TOWARDS OTHERS

COURTESY – being or acting polite to others

A round of golf begins and ends with a handshake between PLAYers in a group. You should be still and quiet while others are getting ready to swing and playing a shot.

A PLAYer learns about the Code of Conduct and shows courtesy in his/her actions:

1. Staying still and quiet while others are playing
2. Being friendly and shaking hands when greeting others

What does courtesy mean to me?
(Write or draw in the space below.)
COURTESY TOWARDS OTHERS

Where do I tee up the ball?

What do I do when someone else is playing his/her shot?

If I do a swing (stroke) and a miss, does it count in my score?

If my ball falls off the tee when I am getting ready to swing but I did not try to hit the ball yet, does it count in my score?

If I do a swing (stroke) and a miss THEN the ball falls off the tee. Does that count?

How many strokes (points) do I add to my score?

Why?
COURTESY TOWARD OTHERS

PUTTING CHALLENGE!

• Make a 3 or 4-hole putting challenge like the picture above.
• Start each hole at the teeing ground.
• Count how many swings it takes you to get the ball in the hole (target). You can play many times to see how good you get!
• Play on your own or with friends. Remember to shake hands before you start - and when you end - to show Courtesy.

If you are playing this game with others, put the letter S in the picture above to show where the safety zone goes on each hole.

How do you know whose turn it is?

What is your favorite warm-up game to play before you golf or do other sports?

What is the Courteous thing to do if your ball is going toward another player?

CORE LESSON #3
RESPONSIBILITY FOR THE COURSE

RESPONSIBILITY – it’s up to me; I am the one myself and others depend on to make it happen

PLAYers are responsible for their actions on the golf course. It is up to them to keep score, repair divots, rake bunkers, repair ball marks on the green and keep up with the pace of play.

A PLAYer learns about the Code of Conduct and shows responsibility for the surroundings in his/her actions by:

1. Keeping up with the pace of play
2. Taking care of the golf course by repairing ball marks and replacing divots; taking care of his/her equipment by keeping it clean and ready to play.

What does responsibility mean to me?
(Write or draw in the space below.)

CORE LESSON #4
THE HONESTY OF PLAYers

HONESTY – to tell the truth

Golf is different from other sports because PLAYers regularly call penalties on themselves and report their own score.

A PLAYer learns about the Code of Conduct and shows honesty in his/her actions by:

1. Calling a penalty on himself/herself when the Rules say a penalty is due to a PLAYer

2. Writing and reporting my correct score that includes counting all strokes and penalties

What does honesty mean to me?
(Write or draw in the space below.)

CORE LESSON #5
MODELING SPORTSMANSHIP

SPORTSMANSHIP – playing by the rules and acting nice to others no matter if you are winning or losing

PLAYers should know the Rules of Golf and be able to behave in a kind and respectful manner toward others even in a competitive game.

A PLAYer learns about the Code of Conduct and shows sportsmanship in his/her actions by:

1. Treating others kindly whether he/she is winning or losing
2. Following the Rules of Golf no matter how he/she is playing

What does sportsmanship mean to me?
(Write or draw in the space below.)
MODELING SPORTSMANSHIP

Where can you find out more about golf rules?

www.thefirsttee.org
MODELING SPORTSMANSHIP

GAME you can play: Lily Pads

Supplies: golf balls, 9-iron or pitching wedge, items to make targets such as towels or string

How to play:

• Spread out the targets (lily pads) on the green (targets can be different sizes).
• Each PLAYer chips his/her golf ball onto a lily pad.
• Each team should know which golf balls belong to their team. (For example, one team hits yellow golf balls and the other team hits white golf balls.) Another option is for PLAYers to work together to pick a team logo and put that on the ball with a marker. (A smiley face is one idea.)
• The team with the most golf balls in or on the targets (lily pads) wins the game.

How can you show Sportsmanship while playing this game?

How can you make this game more challenging to play with your friends?

CORE LESSON #6
DEVELOPING CONFIDENCE

CONFIDENCE – a feeling of “I can do it!”

Confidence plays a big role in how low of a score a PLAYer can shoot. PLAYers can increase confidence in their skills every time they play by being positive and focusing on something they are doing well no matter what the outcome.

A PLAYer learns about the Code of Conduct and shows confidence in himself/herself by:

1. Noticing something he/she is doing well no matter what the result
2. Keeping a positive attitude no matter how he/she is playing

What does confidence mean to me?
(Write or draw in the space below.)

CORE LESSON #7
USING GOOD JUDGMENT

JUDGMENT – to make a decision or form an opinion

Using good judgment is very important in golf. It makes a difference when you are deciding where to hit the ball and what club to use. It also helps you make good choices about your Energy and Safety.

A PLAYer learns about the Code of Conduct and shows judgment by:

1. Making healthy choices at the golf course, such as being physically active (walking the course), drinking water and eating healthy snacks
2. Making decisions about which clubs to use on a variety of golf shots

What does good judgment mean to me?
(Write or draw in the space below.)
USING GOOD JUDGMENT

HOW FAR IS IT?  
Pick a hole on your course and walk it to answer these questions.

How many steps is it from the teeing ground to the fairway? _______________

How many steps is it from the front of the green to the back of the green? _______________

How many steps is it from one side of the fairway to the other side of the fairway? _______________

You can play this again. If you pick a different hole, will you get the same answers? _______________

CORE LESSON #8
PLAYING WITH PERSEVERANCE

PERSEVERANCE – to keep going no matter what

To play well in golf, PLAYers must keep going through tough breaks and their own mistakes. It is important to learn from past actions.

A PLAYer learns about the Code of Conduct and shows perseverance in his/her actions by:

1. Trying his/her best regardless of how he/she is playing
2. Learning from his/her past actions

What does perseverance mean to me?
(Write or draw in the space below.)

DID YOU KNOW?

Physical exercise is good for the mind and body. Several studies, including a recent one by Dr. Charles Hillman that was reported on ABC News, support this conclusion: Exercise increases brainpower. Dr. Hillman says that even taking a 20-minute fast walk on the morning prior to a test could help your test performance.
PUTTING GAME FOR PERSEVERANCE – Around the World

• Place six tees around the hole (target) like this:
  2 = two feet away from the hole
  2 = three feet away from the hole.
  2 = four feet away from the hole.

• Number them 1, 2, 3, 4, 5 and 6. Playing in order, how many putts in a row can you get in the hole (target)?

• Play with only one ball and start over at number one if you miss.

• For added challenge, change your hold/grip on each round. How many holds can you invent? Which is your favorite?

Play this game many times. Write down your scores to track how much you are improving.

WORDS TO KNOW

Object of the game of golf: To hit the ball into the hole in the fewest strokes (swings + penalties)

Etiquette: Manners and actions used by PLAYers

Fore!: A warning shouted to alert other PLAYers that you are about to hit the ball or have hit a ball that is headed toward them

Stroke: The points a PLAYer gets by swinging the golf club or getting a penalty

Penalty: When a PLAYer breaks a rule, he/she is given a penalty. The penalty is usually a stroke or two added to the score. Other penalties are sometimes given such as losing distance or losing a hole.

Habit: Actions PLAYers do so often they become automatic and can be done without thinking

Energy (Healthy Habit): The body’s fuel for living; including sleep

Play (Healthy Habit): The ultimate form of exercise that is done for fun and enjoyment

Safety (Healthy Habit): Actions done to stay out of danger and lower the chance of a PLAYer getting hurt

Putt: A short shot that rolls; usually done on the putting green

Chip: A short shot that goes low in the air and lots of roll; usually started from just off the side of the green

Pitch: A short shot that goes high and has only a little roll; usually done from a few yards off the green when a PLAYer needs to go over something like a bunker

Full Swing: A big swing to hit the ball as far as the club will make it go
WORDS TO KNOW (CONT’D)

Bunker: A hollow area on the golf course that is filled with sand

Dog-leg hole: A hole where the fairway bends around a corner

Green: The part of the golf course around the hole where the grass is cut the shortest

Fairway: On a hole, the grass between the tee and the green *(Fairway grass is usually cut short.)*

Hazards: An area of the golf course that creates challenges for PLAYers. These include bunkers and lakes or ponds, for example

Hole: 1. The small hole or cup cut into the green; 2. The part of a golf course consisting of a teeing ground, putting green and the area in between. Also, if you “hole” your ball, you have hit it into the hole on the green

Lie: The spot where the ball is sitting

Out of bounds: The area of a golf course that is outside the official playing area. Golf courses use white stakes or paint a white line on the ground to mark the out of bounds

Range: A place where PLAYers can practice hitting balls

Rough: The area of long grass around tees, fairways and greens
